President's Message

President's Message

Last month at the Mondrian was probably one of the best HFTP meetings we've ever had! Much praise goes to Chris Thullen for setting everything up and making it happen. Jim Geary invited John Taylor for JT Panglobal to talk about how to save on taxes using cost segregation techniques. Even though it was relatively esoteric stuff, many of us came away feeling much smarter!

This month we are pleased to present a session on SB 2 legislation led by Lisa Klinger from Marsh Consulting. Senate Bill 2 (SB2), the Health Insurance Act of 2003, will enable more than 1 million uninsured workers and their dependents to obtain coverage through their employer or a new State program when it is fully implemented in 2007. Lisa will explain the impact of SB 2 on our bottom lines and what kinds of strategies we can use for limiting the financial effects on our companies.

The meeting takes place next Thursday, April 22, at Shutters on the Beach in Santa Monica. Thanks to the Controller, Kirk Knudsen, for providing a wonderful reason for going to the beach! Please join us next week for cocktails, dinner, and some enlightening conversation on SB 2.

Yours in Hospitality,

April 22 Meeting

"SB 2: The Health Insurance Act of 2003"

SB 2 requires employers with 50 or more employees to either provide specified health coverage to employees or pay a fee to the State to provide coverage through a health

insurance risk pool. The amount an employer must pay and the date the law becomes operative vary depending on the employer size.

Even if you already provide health insurance for your employees, you may be affected by SB 2 because it might change the benefits package you offer, the employer contribution amount, the employees you consider eligible for coverage, and even the benefits plans that insurers and HMOs offer!

How do you limit the financial effects of SB 2 compliance to your company? Come to this special session and find out!

Editor's Note

[HFTP Los Angeles](#) currently has a membership of 100+ hospitality professionals. The chapter holds meetings once a month, generally on the evening of the third Thursday of the month. Our meetings are held at various hotels and clubs throughout the L.A. area. Meetings generally begin with a cocktail reception that offers attendees an opportunity to network and share industry news and ideas, followed by a speaker that touches on an industry or educational topic, and a three-course dinner.

The chapter also raises money for a student scholarship fund, hosts social gatherings, contributes to local and national charities, and sponsors a half-day seminar for its members. The chapter newsletter is published once a month (September-June) to keep members informed of chapter events, share member news, and pass along valuable information and articles.
